## Regional Championships Registration Checklist

- Complete the Membership Affiliation Process. All competitors must be affiliated and paid to be eligible to compete.
- Join as a professional member to access **SkillsUSA Championships Technical Standards** to prepare for competition. We follow as close as possible the national technical standards, but we do have to modify some contests due to time or funding resources. Advisors and their contestants should also reference contest updates page for latest updates to the regional competitive events at <http://tnskillsusa.com/competition/regional-championships-updates-and-equipment-lists/>.
- Determine which affiliated and paid members will compete at regional competitions.
- Log in to the [conference registration system](#) and register the students, advisors, and observers who will be attending regional competitions.
- Select the appropriate competitive event for each student.
- Print a copy of your registration and double-check that each student is registered for the correct competitive event.
- Carefully review your registration and make any necessary additions, substitutions, and/or corrections.
- Submit** your registration online and print a copy of your invoice by **Jan. 19, 2018**.
- Have each registered attendee sign a [SkillsUSA Career and Technical Student Organization \(CTSO\) Release form](#). You should have copies of the CTSO release form with you at each event for all of your attendees in case of an emergency.
- Mail a copy of your invoice and a check with **SkillsUSA-4000** in the memo line to SkillsUSA Tennessee by **Feb. 1, 2018**.
- Arrive at your regional championship on time and ready to compete. Please note the snow dates and [inclement weather policy](#) for regional events.
