

CONTEST UPDATE

Criminal Justice

At the 2023 SkillsUSA Tennessee State competition, all Criminal Justice and Crime Scene Investigations contestants will be required to participate in a Job Interview.

Job Interviews will take place immediately following the Contest Orientation on Monday, April 17 at 12:00 p.m. During the Job Interview each student will be expected to answer several police or CSI specific and HR-related questions. The Job Interview will be a timed event (expect no more than 10 minutes). Each contestant must submit their required resume at the Job Interview.

As we conduct the Job Interviews, we expect several guest speakers from the Chattanooga Police Department to join us. We will attempt to schedule our guest speakers so that contestants may pick and choose the lectures and/or demonstrations they prefer. Time and location of the lectures/demonstrations TBD.
